**ORDER FOLLOWING STATUS  
CONFERENCE**

22 On March 25, 2020, the Court held a status conference. ECF No. 94. The parties  
23 had previously requested that the Court continue to stay discovery pending a potential  
24 filing for a Writ of Certiorari to the United States Supreme Court. ECF No. 90. The  
25 parties filed a joint status report as to the current state of discovery in the case at the  
26 Court's request and the Court held a telephonic status conference. ECF No. 93. Pursuant  
27 to the discussion during the conference, the Court finds that the request to stay discovery  
28 would be more appropriately brought as a motion to stay the entire case, pending the

petition for cert. Accordingly, the Court sets a deadline of **April 8, 2020** for the parties to file a motion to stay the case.

**IT IS SO ORDERED.**
